

GINA DEE**Why are you interested in serving on the Big Sky Owners Association Board of Directors?**

I want to run for the Big Sky Owners Association because I genuinely care about this community and the people who call it home. I still vividly remember arriving in Big Sky for the first time in March 2016 and feeling like I had stepped into a Hallmark movie. Our Toronto-based company had been awarded the Yellowstone Club Village Core interior finishes project, and after two years of traveling back and forth, I permanently moved to Big Sky in January 2018.

Since then, my husband and I have fully invested in this community. We have lived in several neighborhoods throughout Big Sky and, in 2023, purchased and lovingly renovated a 40-year-old home on Curley Bear Road in the Meadows. Big Sky is not just where I live — it is where I choose to shop, work, volunteer, and build relationships.

As someone involved in the building industry, I understand both the opportunities and the pressures that growth brings to a town like ours. I strongly value preserving the character of Big Sky while helping it continue to thrive in a thoughtful, safe, and community-minded way. The mission of the Association — to protect, enhance property values, and support the quality of life of its members — is something I deeply believe in and would be proud to help support as a board member.

What relevant board, committee, professional, or volunteer experience would you bring to the role?

My professional and community experience has prepared me well to contribute meaningfully to the BSOA Board. Within the community, I am currently on the BSAC board, and I am thoroughly enjoying every meeting. I have volunteered with the Community Center and the Arts Council, and during COVID I independently organized and operated a children's art camp that raised funds for the local food bank and the Arts Council's "Pay It Forward" program.

I believe my strengths lie in bringing people together, embracing diversity, welcoming positive change, and encouraging community-minded leadership. I care deeply about Big Sky and would be honored to contribute my experience, energy, and commitment to helping guide the future of this community.

Where do you own property within the Big Sky Owners Association?

I currently live in the Meadows on Curley Bear Road, and my office is located directly in the Town Center. Having both my home and professional life rooted in different parts of Big Sky gives me a broad perspective on the community and the people who live and work here.

Over the years, I have lived in multiple neighborhoods, including Lone Moose Meadows, a cabin near the entrance to Big Sky, and a townhouse in Upper Town Center. These experiences have helped me understand the unique character, priorities, and concerns of different areas within the community.

Because of my involvement in both residential life and local business, I feel very connected to the day-to-day pulse and evolving needs of Big Sky.

Are you a full-time or part-time resident of Big Sky?

Full-time

How long have you owned property within the Big Sky Owners Association?

I have been an owner since 2018.

What is your current occupation?

Professionally, I am the director of a local business and lead an architectural millwork installation company with approximately 50 team members on site. My work requires leadership, organization, communication, problem-solving, budgeting, and collaboration with diverse groups of people and stakeholders. I have extensive experience managing teams, navigating complex projects, and fostering accountability and professionalism.

What percentage of the required monthly Big Sky Owners Association Board meetings can you realistically attend, either in person or via Zoom?

100%.
